

DRIVEN INTO NICHES AND CUT DOWN

Graphic Story of One of the Recent
Battles Between Germans
and Hereros.

BERLIN, April 8.—The Southwest Africa correspondent of the Cologne Gazette, Dr. Moellenhof, has sent his paper a letter describing the relief of Omarura, February 4th, from which it appears that both sides fought with desperate courage. When the garrison of Omarura heard the firing of the artillery of the relief corps twenty-five of the beleaguered force made a sortie against the enemy, who held a natural fortification consisting of a line of cliffs projecting rocks.

"The Hereros attacked in front and rear," says Dr. Moellenhof, "held their ground with marvelous tenacity. When the German rushed them many of the Hereros retreated to the crevices of the rocks, where they were bayoneted. Lieut. Von Koellwarth received a mortal wound from a Herero twenty paces distant, and a German cavalryman, searching the rocks, for wounded was killed at a range of a few paces.

"After being driven from this position the Hereros took a new one, contesting the ground inch by inch, and leaving a number of dead at every rallying point. After the hottest fighting was over the enemy fired at the Germans, wounded by neighboring bushes, and the surgeons dressed the wounds while bullets were whizzing in the air.

"The Hereros lost about 100 killed or wounded, of that approximate total of 600 men. The German loss was eight men killed and ten wounded."

LIKE SOUNDING OF GABRIEL'S TRUMPET

All Russia in Sack Cloth and Ashes
for Revival of Tragedy of
Golgotha.

ST. PETERSBURG, April 8.—A hundred million of the Emperor's subjects revived the tragedy of Golgotha today. The Russian capital seemed plunged in grief. The busy hum of the metropolis was gone. The streets were deserted.

All night and morning the church bells tolled mournfully, reminding the faithful of the betrayal of Gethsemane, Peter's denial, the trial before Pilate, the burden of the cross, and, finally, the crucifixion.

The scourging and mocking of the Savior were impressively re-enacted at the Alexander Nevsky cathedral. Antonious, the Metropolitan of St. Petersburg, officiated.

This afternoon at the cathedral was held the solemn ceremony of commemorating the three hours' agony, accompanied by a beautiful service of song. The interior of the great cathedral presented a wonderful scene when at last a silver cross on which was painted a picture of Christ crucified was borne out through the inner golden gates on the shoulders of black-robed clergy to a magnificent sarcophagus erected in the center of the church. The vast congregation, consisting of over ten thousand persons, was on its knees, each one holding a lighted candle. Thrice the officiating bishops and deacons circled the bier and all the lights were extinguished, and for two hours throngs of people passed before the catafalque, most of them sobbing and weeping.

It is understood to be the intention of the District Attorney to have the warrant issued for the arrest of Mrs. Botkin charging her with the murder of Mrs. Deane, a sister of Mrs. Dunning. The evidence in both cases being identical, this action will permit the depositions of the Delaware witnesses to be taken while they are within the jurisdiction of the court.

It is estimated that the cost to the state of the prosecution of Mrs. Botkin thus far amounts to about \$30,000.

SAN FRANCISCO, April 8.—In view of the notice given by Attorney Knight that an appeal would be taken from the conviction of Mrs. Cordelia Botkin, who was found guilty of the murder of Mrs. John P. Dunning, District Attorney Byington has notified the witnesses for the prosecution who came from Dover, Del., to remain here temporarily.

SAN FRANCISCO, April 8.—L. Carasani, a tailor, this afternoon killed a young woman who had for some time been in his employ and followed up his crime by committing suicide.

The cause of the double tragedy is unknown. It occurred in Carasani's place of business, 536 Kearney street. Police Captain Duke, who was passing at the time, heard two shots fired and went into the shop, where he found Carasani dead and the woman in a dying condition.

Both had been shot through the head, evidently with the same weapon, which was found beside the man's body. The woman was taken to the emergency hospital, where she expired without regaining consciousness. Her identity has not yet been established. She was about 25 years old.

NEWSPAPER GRAFTER FINED
IN UNITED STATES COURT

CHICAGO, April 8.—Pleading guilty to using the mails to further a scheme by which newspapers all over the country were swindled out of large sums, John Dalton today was fined \$1500 by Judge Humphrey in the United States Circuit court.

Dalton escaped the penitentiary on a similar charge two years ago because the United States Circuit Court of Appeals reversed the sentence of the lower court.

He was charged with organizing an advertising agency through which he said to have swindled 7000 newspapers.

TORNADO KILLS THREE AND INJURES MANY

HOUSTON, Tex., April 8.—The tornado which passed near the town of Mexia killed three persons and injured nine others, three of whom, it is feared, fatally. The dead are: John Ballard, Mrs. Ballard, four-year-old child of the Ballards.

The names of some of the injured are not known. Those known to be injured are: George Parsons, Grace Livingston, Lemuel Hobby, Patrick Lucey. The Ballards were killed outright. Many houses were demolished and much damage was done to growing crops.

"I Was All Run Down-- Now I Am Well and Strong"

More Praise for the Celebrated Nerve Vitalizer and Tonic

PAINE'S CELERY COMPOUND

IT GIVES ALMOST INSTANT EFFECT.

The whole system needs new strength to make up for the Vitality used up by the effort your body makes to purify itself every spring. It needs Nerve Force quickly—for it is only from this strength of the inner nerves that the organs of the body get the power to do their work and to keep in good condition.

Tired, weak, run down, nervous women—thousands of them in homes, offices, stores and factories—dragging out their lives in poor health and low spirits, subject to grip, colds and headaches, can trace the beginning of their general decline back to the spring lassitude that got its hold upon them and never was shaken off.

NO APPETITE—CONSTIPATION—SLEEPLESSNESS.

The Wonderful Restorer Brought This Worn Out Woman Back to Happy Health.

"I wish I could tell every woman in the land how much Paine's Celery Compound will help them."

"I can never thank the friend enough who told me to try Paine's Celery Compound. I had almost given up in despair. I was so nervous, tired and run down. I had no appetite, was constipated and could not sleep."

BY MRS. EMMA PETTY.

"I was all run down and not able to follow my occupation as stenographer. I began taking Paine's Celery Compound, and thanks to it, I am now well and strong."—925 Huron St., Indianapolis.

"I got one bottle, and when I had taken half of it my bowels were regular, my appetite came back, and I commenced to sleep well. Now when I overwork and begin to get nervous and cannot digest my food properly I just take a few doses of Paine's Celery Compound and am all right again."

"It is the most wonderful restorer in the world. Before I learned what Paine's Celery Compound would do I had tried all kinds of medicines and nothing had helped me."—Mrs. Nellie R. Baker, Springfield, Vt., Oct. 10, 1903.

The Nerve rule all—Liver and bowels and blood—every organ of the body. Paine's Celery Compound feeds actual nerve strength to the system. And through the nerves it purifies the blood and gives health and strength to the whole body.

It is the one Spring Remedy that Purifies without weakening the system, gives strength instead of taking strength.

"Get at the REAL CAUSE—the NERVES."
